NEW BUSINESS

A. Well Production Report

Total gallons pumped in December were 5.3 million. The weekly average was 1.2 million gallons and the daily average was 171,000. November was 5.4 million. The weekly average was 1.2 million gallons and the daily average was 182,000.

B. Well #5 Iron Problem

The maintenance superintendent explained the use of a green sand filter to filter iron out of the instrumentation that reads the chlorine residual.

Discussion followed in regards to how the water from Well #5 will be blended into the distribution system at a rate that will not noticeably increase iron content.

UNFINISHED BUSINESS

A. System Security and Safety

The Authority Superintendent reported that the superintendent and staff are checking the sewer and water system for security and safety concerns on a daily basis. There were no recordable injuries in December. The trucks are equipped with accident report forms and cameras. The alarm system will be switched over to the Omnisite system this winter.

B. Uncompleted or Projects In Process Update

Projects in process include Fairview Evergreen of which is a developer project.

REVIEW OF EXPENDITURES, TREASURER'S REPORT AND TRUST ACCOUNT BALANCES

The Board reviewed the Expenditures, Treasurer's Report and documents. A motion was made, seconded and unanimously approved to pay the bills, sign various documents and accept the reports.
